**USING YOUR WHAT'S ON**

Feel free to update the calendar in the centre pages with additional events within the Church as you find out about them.

Also if there are empty slots in any of the lists on page 7 and you want to participate then you can also fill in the spaces once you have filled in the main list in the foyer.

**COLLECTION BOXES**

Here at West Kilburn Baptist Church we don't send round a collection tray or bucket during the service.

However if you do wish to give to the Lord's work here at WKBC there are collection boxes in the main hall at the back of the Church both upstairs and downstairs.

**THE WHAT'S ON**

How do you like the look of the new What's On? Put comments in the suggestion box or email Nick at nick@westkilburn.org

We are an evangelical church (members of the FIEC). We are a multi-cultural church with members from various local communities and different nationalities.

We are located on the 'South Kilburn Estate' in the Queen's Park area of North-West London, in Brent but on the boundary with Westminster.

## BUILDING PROJECT

The Lord has blessed us with a building where we can all meet together, and as a base for various church activities, at West Kilburn. Over the years we have undertaken various projects to look after the fabric of our building.

At present we are faced with a number of areas that need urgent attention. These include:

- Installing fire safety and alarm systems throughout the building, but especially the kitchen.
- Replacing all the windows in the main sanctuary.
- Converting the ladies toilet in the foyer into a disabled toilet, and improving wheelchair access to the building.

At our Members' Meeting in February we agreed together to go ahead with these projects looking to the Lord for the finance. At present we expect it to cost something over £30,000. The figure will be finalised when full quotes are received.

We have set up a 'Building Fund' into which £10,000 have been put from our reserves (leaving about £35,000 in the reserves) and we agreed that we would look to the congregation for £20,000, over and above our regular giving.

Please think and pray about how much you might be able to contribute. Please use the envelopes available by the collection boxes and mark it "Building Fund". There is more information about giving and how to give in the separate leaflet.

Our hope is that these gifts could be collected by the end of April, for our Members Meeting on April 29th. If you would like to contribute in the coming months, but are unable to do so now, it is possible to make a 'pledge'. Just write "Building Fund Pledge" on the envelope, and how much you aim to give, and by when you will give it.

We are also looking for volunteers to help organise and manage this project. If you are interested then talk to Ray.
